

Zehlendorfer Verband für evangelische Diakonie

There are organized 12 communities in the Zehlendorfer Association with around about 4500 members.

Executive:

The leading persons had the last conference in October 2013 in Berlin. In this meeting we chose the Executive Committee. Dr Martin Zentgraf was confirmed as the Chief Executive Officer.

Themes were the professional policy of nurses, planning of the coming year and the perspectives of the association.

Offers/Events:

For the students in the Zehlendorfer Association will be a seminar next month in Berlin to the theme: "Arise and eat; because the journey is too great for you", and for the summer a seminar for sisters in the committees. In May we offer a pilgrimage along the former border between East- and West Germany.

DIAKONIA World Conference:

After the DIAKONIA World Conference we got a positive feedback from all communities. Afterwards we had a little regional meeting; we exchanged us and showed photos.

Preview:

In 2016, the Zehlendorfer Konferenz will celebrate their 100 year anniversary with a celebration in Berlin. (28th October 2015).
