Review report to the
Executive Committee of the association
DIAKONIA Region Africa-Europe
Bern

Thierachern, May 14, 2019 HS

We have been engaged to review the financial statements (balance sheet, income statement and notes) of DIAKONIA Region Africa-Europe for the year 2018 ended December 31, 2018.

These financial statements are the responsibility of the Executive Committee. Our responsibility is to issue a report on these financial statements based on our review.

Our review was conducted in accordance with Swiss Auditing Standard 910 applicable to review engagements, which requires that a review be planned and performed to obtain moderate assurance about whether the financial statements are free from material misstatement. A review is limited primarily to inquiries of personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not give a true and fair view of the financial position, the results of operations and the cash flows in accordance with Swiss law and the company's Constitution and Bylaws.
