

PRAYER LETTER FOR AUGUST 2024.

Greetings in the name of the Triune God to all Deaconesses, Deacons, and workers in God's vineyard.

The month of August is of great significant to the Methodist Church in Fiji. The 59 Divisions with member congregations and the whole church focuses to the Annual Conference taking place in the main City – Suva.

The President, Rev Dr Semisi Turagavou has placed and encourages the Church in ***“Restoring the Image of Jesus Christ in the Methodist Church in Fiji”***.

The Annual Conference for 2024 will also celebrate her 60th Anniversary of being weaned from the Australasia Church. The Methodist Church in Fiji has grown both in structural development, Spirituality, theological education, etc.

Within this growth, there has been space for the establishment of the Methodist Deaconess Order linking to the Diakonia Asia Pacific and to the World Diakonia Federation.

The Church- the body of Christ like a mustard seed. Small in number but has grown into a big tree. Strong and have encountered challenges with great leaders who have gone ahead. God continues to mould and equip the Methodist Church in Fiji to serve in his vineyard.

We are called to be watchmen and watchwomen inside and outside the Church. With the rise of the use of drugs of all different kinds, God is calling us today to pray for workers in His vineyard. ***“Pray to the owner of the vineyard, for the vineyard is ready but the workers are few”***.

(a) May we pray together for the Methodist Church in Fiji and all preparation towards the Annual Conference on the 23 -30 August, 2024.

(b) The Methodist Church's 60th Golden Jubilee Celebration.

(c) Methodist Deaconess Order fundraising get together in September 2024.

(d) God's intervention on the rise of DRUGS uses and abuse in Fiji.

Shalom & God Bless
